Dated: March 1, 2006

The Northwest Public Communications Council and Minnesota Independent Payphone Association ("Commenters") move the Commission to accept their late-filed comments due to technical difficulties with the electronic comment filing system (ECFS). Undersigned counsel for the Commenters tried repeatedly over several hours on the due date for the comments (February 28, 2006) to file the comments. The ECFS would not accept any filed Adobe Acrobat format from the undersigned. Attached is a copy of the error message that was received when Commenters attempted to file in the Adobe format. This morning Counsel learned that the filing problem is isolated to the computer the undersigned was using. The comments were filed using another computer.

Based on the foregoing, Commenters request that the Commission accept their comments as timely filed. Commenters do not believe that the Commission or any party will be unduly prejudiced by the short delay of the filing.

DATED this 1st day of March, 2006.

Respectfully submitted,
